

# Strategy Runner

Strategy Runner helps address the needs of active traders and automated strategy traders with its single screen platform.

## Features

- Automate exit strategies;
- View real-time charts with indicators and receive audible alerts;
- Customizable charting capabilities;
- Multiple order entry methods including point and click trading from charts;
- Advanced order types are available including trailing stops, bracket orders to create automated profit target and stop loss Order Cancels Order;
- Access hundreds of automated trading strategies developed by various system vendors on the Strategy Exchange;
- SR Pro provides traders the ability to automate entry orders, subscribe to automated trading strategies and integrate third party vendors;
- Strategy Runner implements automation methods that no longer require a customer to dedicate and monitor computing equipment. All strategies can be run from remote servers, giving traders the reliability they demand and the confidence they deserve; and
- There is a demo available.

Routing Fee<sup>1</sup>: \$0.85 with \$85 minimum over CQG  
\$0.75 + \$75 over CTS<sup>3</sup>

## Supported Instruments

- Futures
- Options on Futures<sup>4</sup>

Vision customers have the option of routing over Cunningham Trading System ("CTS") or CQG.

For more information or questions, please contact Vision's Trading Applications Group at +1.866.594.2342 or [tag@visionfinancialmarkets.com](mailto:tag@visionfinancialmarkets.com).

<sup>1</sup>Routing fees are per contract, per side.

<sup>2</sup>\$10 waived after 40 trades. Example that qualifies for a waiver: If a client places 50 trades on SR Lite over CTS, they pay \$25 (50x\$0.50). Example that does not qualify for a waiver: If a client places 5 trades on SR Lite over CTS, they pay \$12.50 ((5x\$0.50)+\$10).

<sup>3</sup>\$75 waived after 150 trades. Example that qualifies for a waiver: If a client places 160 trades on SR Pro over CTS, they pay \$120 (160x\$0.75). Example that does not qualify for a waiver: If a client places 10 trades on SR Pro over CTS, they pay \$82.50 ((10x\$0.75)+\$75).

<sup>4</sup>Options on futures are only available through CTS.

Please be advised that the use of stop loss or contingent orders may not protect profits, and may not limit losses to the amount intended. Certain market conditions make it difficult or impossible to execute such orders.

Trading futures and options involves substantial risk of loss and is not suitable for all investors.

Personal attention. Powerful resources.
